REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-12 school year has been a year of achievement for our school. It is the mission of R.C. Edwards Middle School to "promote high standards of academic achievement, personal achievement, and career development in a safe environment", and we have accomplished this through a multitude of opportunities. R.C. Edwards was awarded a Palmetto Gold Award for overall student achievement from the S.C. Department of Education. Our Algebra I classes scored an average of 93% and our English I classes had an average of 94% on the South Carolina End of Course Exams. Our Festival Band won top national honors in the New York Band Festival. The MATHCOUNTS team also placed in the state competition. R.C. Edwards also had 40 Junior Scholars and 24 students recognized by the Duke University Talent Identification Program. All of these academic accomplishments occurred while our school was under total renovation and construction. Seventeen classrooms were added and every square foot of existing space was renovated. The renovations included everything from replacing folding walls in classrooms to the installation of updated interactive white boards. It is a testament to the relationship R.C. Edwards enjoys with the community that academic and structural progress can occur at the same time. R.C. Edwards would not be the learning environment it is without the help of parents, volunteers, teachers, and staff.
